September 2010

The Connecticut State Department of Education, Bureau of Special Education (CSDE/BSE) qualifies "Transition / Vocational Service Provider" as providers who meet the following criteria and have received a Facility Code of 82 or 90 from the CSDE/BSE:

1) Meets ALL of the following criteria:

- Serves students 18-21 years old who have completed academic credits toward a regular High School Diploma.
- Offers transition/vocational services that *may* include functional academics. (Note that these providers are not approved to provide academic credit toward a regular high school diploma).
- Students do not attend any part of their transition/vocational program on a high school campus.

AND

2) Meets AT LEAST ONE of the following criteria:

- Holds a current and valid contract as a vendor with the Board of Education and Services for the Blind (BESB).
- Holds a current and valid contract as a vendor with the Bureau of Rehabilitation Services (BRS).
- Holds a current and valid contract as a vendor with the Department of Developmental Services (DDS).
- Is operated by a Local Education Agency (LEA).

AND

3) Meets AT LEAST ONE of the following criteria:

- Serves as a private vendor/contractor with a public school district for transition/vocational services.
- Is a district-operated transition/vocational program located in a community setting (e.g., college/university campus, hospital, apartment/house).
- Is a district-operated transition/vocational program that does not have a permanent physical location, but transports students to and from transition/vocational service sites on a weekly schedule.
